Hiring Manager
XYZ Company
[Company Address]

Dear Hiring Manager,

I am Harsh Agarwal, a second-year IT engineering student at A.C. Patil College of Engineering, Kharghar. I am excited to apply for the Full Stack Developer Intern position at XYZ Company. Your company's innovative approach and dynamic work environment greatly appeal to me.

I was referred to this opportunity by [XYZ Person], a [Job Title] at XYZ Company. Their insights into your company's culture, development practices, and growth opportunities have further fueled my eagerness to become a part of your team.

I have strong skills in React.js, Next.js, JavaScript, HTML, and CSS, with foundational knowledge of Express and MongoDB. Recently, I developed a fully functional e-commerce website, showcasing my proficiency in both frontend and backend development. This project includes features such as a payment gateway, delivery tracking, product addition to the cart, and performing CRUD operations. Additionally, I implemented user notifications and OTP verifications to enhance the user experience.

I am particularly impressed by XYZ Company's emphasis on fostering a collaborative and forward-thinking environment. I am eager to bring my expertise in React, Next.js, and full stack development to contribute to your innovative projects.

Thank you for considering my application. I look forward to discussing how my skills can benefit XYZ Company. Please contact me at harshagarwal19696@gmail.com or (+91)-8108315323.

Sincerely

Harsh Agarwal
